

R E M A R K S

Claims 11, 13-19 and 21-30 are now in this Application, and are presented for the Examiner's consideration.

A timely filed response was filed on April 8, 2005 to the outstanding Office Action, with a Certificate of Mailing under 37 C.F.R. 1.8.

However, a Notice of Non-Compliant Amendment was mailed April 15, 2005, providing a one month period for response.

It was stated that "only the corrected section of the non-compliant amendment document must be resubmitted (in its entirety), e.g., the entire "Amendments to the claims" section of applicant's amendment document must be resubmitted."

In accordance therewith, enclosed are the entire Amendments to the claims section, in which claims 1-10 have been indicated as being canceled, to comply with the requirement for a complete listing of all of the claims, and all of the claims have each been provided with the proper status identifier.

The remainder of the previously submitted Amendment on April 8, 2005 is incorporated herein by reference.

If the Examiner has any comments, questions, objections or recommendations, the Examiner is invited to telephone the undersigned at the telephone number given below for prompt

action.

In the event that this Paper is late filed, and the necessary petition for extension of time is not filed concurrently herewith, please consider this as a Petition for the requisite extension of time, and to the extent not tendered by check attached hereto, authorization to charge the extension fee, or any other fee required in connection with this Paper, to Account No. 07-1524.

The Commissioner is authorized to charge any additional fees which may be required, or credit any overpayment to Deposit Account No. 07-1524.

In view of the foregoing amendments and remarks, it is respectfully submitted that Claims 11, 13-19 and 21-30 are allowable, and early and favorable consideration thereof is solicited.

Respectfully submitted,

Richard M. Goldberg
